COMMUNICATION

Assistant Commissioner of Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

Applicants seek clarification of the status of the present Application. In response to the Final Office Action dated January 25, 2006, Applicants filed an After Final Response on March 24, 2006. An Advisory Action was mailed on May 5, 2005. In the Advisory Action it is stated that "Applicant newly amended claims change the the [sic]

scope of the claims, which would require further search and consideration." Applicants, however, did not amend any claims in the After Final Response. Applicants respectfully submit that as the claims were not amended that no further search is required. Nonetheless, it is unclear as to whether the comments provided in the Office Action are complete as to the reasons that claims 1-12, 20-28 and 36-39 are rejected. Accordingly, Applicants cannot make a determination as to how to proceed because it appears that the Examiner wishes to conduct an additional search.

The undersigned as attorney for the Applicants talked to Examiner Nguyen on April 24, 2006 to discuss the status. Examiner Nguyen indicated that this Communication should be filed and that he would review the matter. Examiner Nguyen indicated that we may withdraw the Final Rejection and issue a new rejection. Applicants respectfully request that the Examiner's decision be expedited so that a decision can be made without incurring late fees due to delay on the Patent Office's end.

Please charge any fees associated herewith, including extension of time fees, to 50-2117.

Respectfully submitted,
Belkin, Anatoly S., et al.
